## Sew Fun - Sew Fast

Are you just acquaintances with your sewing machine? Would you like to become friends? Then this class is for you. If you are feeling shy about making friends with your machine, let us introduce the two of you so you can bond. In this class, you will learn about needles, threads, tensions, proper threading and bobbin winding, as well as sewing techniques. Find out what a good friend your sewing machine can be. Consider this, you never have to cook for it, and it always does what you tell it. What better friend can you have? Just bring your machine, your instruction manual, and a pair of scissors and Neal's will provide the rest. Class size is limited, so be sure to reserve your spot early. Just call the store you would like to attend and make your reservation. If you are unable to take it at any of these times, please call and let us know when you would be available.

**Class Fee: \$30.00 or FREE if you purchased your machine from Neal's Class times are:**
